

NOTICE OF Construction

Please be advised that the County Road Department will be working in your block the week of:

During construction there *may* be interruptions in utility services. Parking *may* also be impacted; alternative parking arrangements may be necessary.

Improvements include the construction a Class II bike lane along both sides of the roadway between Pine Street and Rose Street, a detached Class I bike lane between Rose Street and Sequoia Street, a new 4-way STOP sign traffic control at the Rose Street intersection and various drainage related improvements.

For more information visit Public Works at www.co.calaveras.ca.us/cc/Departments/PublicWorks.aspx , call 754-6402, or email pubworks@co.calaveras.ca.us.

Schedule subject to change due to weather or emergencies.
